## Fees eBVD2015

The fee consists of an entrance fee in year one and a subsequent annual fee. Admission is differentiated depending on the turnover of the company and the number of Construction product declarations (eBVD2015) registered. Companies that are members of one member organization of the Construction Products Sweden (CPS)/ Byggmaterialindustrierna get 25% discount on the fee. Companies that are direct members of the Construction Products Sweden get 50 % discount \*\*)
